Letter to Official Draftsperson

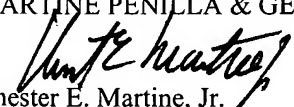

Transmitted herewith are Replacement Sheets 6 of 9 and 7 of 9. Please substitute these Replacement Sheets for the respective as-filed sheets 6 and 7.

Replacement Sheet 6 changes the former "DS" to "D5", as is set forth on page 19, line 7 in reference to Fig. 5A (line 1).

Replacement Sheet 7 adds "D6" to the diameter, as is set forth on page 23, line 11 in reference to Fig. 6A.

Because these changes are based on the original specification, they do not add new matter. It is respectfully requested that these Replacement Sheets 6 of 9 and 7 of 9 be substituted for the respective as-filed sheets 6 and 7.

Respectfully submitted,
MARTINE PENILLA & GENCARELLA, LLP
